

COOKIE POLICY

Document Version: 1.0

Publication Date: 31/07/2026

Last Updated: 31/07/2026

1. Data Controller

The Data Controller responsible for the processing of personal data collected through this website is:

Alessandro Corsini (IK5MEP)

Website: <https://www.ik5mep.it>

Email: ik5mep@libero.it

2. What are cookies?

Cookies are small text files that a website sends to the user's browser while browsing.

They enable the proper functioning of certain website features, such as maintaining an authenticated session, storing user preferences and, in other contexts, collecting statistical or profiling information.

3. Cookies Used

This website currently uses **only technical cookies that are strictly necessary for its operation.**

Cookie Name	Type	Purpose	Duration
PHPSESSID	Technical session cookie	Manages the authenticated user session and access to restricted areas of the website	Session

The **PHPSESSID** cookie is automatically created by the server when an authenticated session begins. It is used exclusively for the technical management of the user's session and is essential to:

- allow registered users to log in;
- maintain the authenticated session while browsing;
- manage access to restricted areas of the website;
- temporarily store session information (for example, the selected language).

The cookie contains only a randomly generated session identifier and **does not store passwords, email addresses, or any other personal data.**

4. Third-Party Cookies

As of the publication date of this document, this website does **not** use:

- profiling cookies;
- advertising cookies;
- third-party cookies;
- marketing or advertising tracking technologies.

Should external services that install cookies (such as analytics services, interactive maps, embedded videos, or third-party services) be introduced in the future, this Cookie Policy will be updated in accordance with applicable legislation.

5. Cookie Management

Users may delete or block cookies at any time through their browser settings.

Disabling technical cookies may prevent the proper functioning of the restricted areas of the website.

6. Minors

The use of the technical session cookie does not vary according to the user's age.

Where a minor registers on the platform, the processing of personal data is carried out in accordance with the **HST Trainer Privacy Policy** and the procedures adopted by the relevant work group.

7. Consent

Since this website uses **only technical cookies that are strictly necessary for its operation**, prior user consent is **not required**.

8. Updates

This Cookie Policy may be updated at any time to reflect legal, technical, or organizational changes.

The most recent version will always be available on this page.

9. Legal References

This Cookie Policy has been drafted in accordance with:

- Regulation (EU) 2016/679 (GDPR);

- the ePrivacy Directive;
 - the Guidelines of the Italian Data Protection Authority regarding cookies and other tracking technologies.
-

Note

This website uses **only technical cookies that are strictly necessary for its operation.**

For this reason, **no cookie consent banner is displayed**, as applicable legislation does not require prior consent for this type of cookie.
